PLENARY III: Reimagining Sexual Health for LGBTQ+ Communities

12:45 - 2:30

NURSING SECTION LUNCHEON

CONCURRENT SESSION V WORKSHOPS

2:45 - 3:45

Lactation Support for Gender Diverse Families

Tell Us How You Kiki: Mental Health and Healing in the Scene

Specializing Griefwork with Transgender and Gender-Expansive Patients: A Survival Imperative Amid Sociopolitical Turmoil

LGBTQI+ Cancer Screenings: Training on Guideline Changes For Us & Special Trans Considerations

CONCURRENT SESSION V ORAL RESEARCH

2:45 - 3:45

Trans Surgical Care

From the Ground Up: A Multidisciplinary Toolkit for Postoperative Dilation Following Gender Affirming Vaginoplasty

Postoperative Outcomes and Sensation Restoration Uninfluenced by BMI Following Gender Affirming Mastectomy

This Is What Liberation Looks Like: An Analysis of Top Surgery Recovery on YouTube

Youth & Families

The Mental Health of Transgender and Nonbinary Youth Experiencing Sexual Orientation and Gender Identity Fluidity & Possible Roles of Social Support and Discrimination

People don't actually notice a difference - Conceptual vs actual perceptions of gender inclusive content

4:00 - 5:00	CONCURRENT SESSION VI WORKSHOPS	
	<i>Bridging Legal & Clinical Care: Advancing LGBTQIA2S+ Health Equity Through Medical-Legal Partnerships</i>	
	<i>Treating the Person: Intersections of LGBTQI Health & Cancer Care</i>	
	<i>Transcending Fear: Cultivating and Celebrating Gender Euphoria in Gender Affirming Care in 2025</i>	
	<i>Caring for Our LGBTQ+ Elders: Affirming, Person-Centered Care in Later Life</i>	
4:00 - 5:00	CONCURRENT SESSION VI ORAL RESEARCH	
	International Contexts	Transgender/Non-Binary Mental Health
	<i>Enhancing HIV Case Finding Through MSM Community Leadership: A Case from Effutu Community in Ghana</i>	<i>Pubic trichotillomania in gender nonconforming patients: A systematic review and social media analysis</i>
	<i>A comparison of mental health status for LGBTQ+ persons between Japan and Canada: Cross-sectional study</i>	<i>Trans Adults' Perspectives on Improving Trans-Affirming Primary Care for Patients with Disordered Eating</i>
	<i>Persistent Conversion Efforts in Lebanese Healthcare: A Mixed Method Study</i>	
5:15 - 5:30	GUEST SPEAKER	
5:30 - 6:30	PLENARY IV: The Unequal Burden: LGBTQ+ Cancer Disparities and Promoting Equity in Oncology	
6:30 - 6:45	CLOSING REMARKS	
6:45 - 9:00	EVENING ACTIVITIES	

SATURDAY, OCTOBER 11, 2025 *(All Times in CT)*

7:15 - 8:15	HPiT BREAKFAST	
10:00 - 11:00	CONCURRENT SESSION VII WORKSHOPS	
	<i>Fostering Food Security and Inclusivity for LGBTQIA2S+ Communities in Health Care</i>	
	<i>Understanding Gender Dysphoria: Diagnostic Evolution, Epidemiology, and Treatment Considerations</i>	
	<i>Dissecting the Anatomy of a Clinician Activist: Actionable Strategies for Trans Health Equity</i>	
10:00 - 11:00	CONCURRENT SESSION VII ORAL RESEARCH	
	Next Gen LGBTQ+ Health Professionals	Transgender/Non-Binary Health
	<i>An invisible toll: The impacts of navigating preclinical years as an LGBTQIA+ medical student</i>	<i>Here For The Long Run: Long-Acting Injectable Testosterone Use At Two UC San Diego Health Outpatient Clinics</i>

	<i>Evaluating Psychiatric Collaborative Care Model (CoCM) Effectiveness for LGBTQIA+ and TGNB Patients in Primary Care</i>	
4:45- 5:00	GUEST SPEAKER	
5:00 - 6:00	PLENARY V: STATE OF THE SCIENCE	
6:00 - 6:15	CLOSING REMARKS	
6:15 - 8:00	VIP RECEPTION	

RESEARCH POSTERS

FRIDAY, OCTOBER 10, 2025

POSTER GROUP A

Perception of physical pain associated with binder use among LGBTIQ+ individuals in Chile: Preliminary results.

Understanding Cannabis Use Patterns Among Sexual Minority Adults: Implications for Risk Assessment and Patient-Centered

Advocacy in American Medical Organizations: A Cross Sectional Review and Implications for Healthcare?

An Interprofessional Queer-Inclusive Sexual-History Taking Course: Lecture and Case-Based Workshop

Development and validation of a questionnaire to assess SOGIE-related content in Indian healthcare education curricula

Interprofessional LGBTQ+ Allies Training: Longitudinal Analysis of A Student-Led Curricular Initiative

Cardiovascular Risk Factors and Mental Health Outcomes Among LGB+ Older Adults

Closing the Gap: Advancing Mental Health Equity for LGBTQ+ University Students through Academic-Practice Partnerships

Prevalence of Chronic Liver Diseases and Associated Risk Factors in Sexual Minority People in The United States

Psychological Distress Among Florida Adolescents: The Impact of School Violence Victimization and Sexual Minority Status

A Thematic Analysis of Transgender, Intersex, and Gender-Diverse Experiences of (Violated) Genital Autonomy

Characterization of Transgender Men Undergoing Hysterectomy at the Lehigh Valley Health Network

Chronic Disease Progression Among LGBTQ+ Groups: Diabetes & Pre-Diabetes

High Burden of Food Insecurity Among TGNC Communities: Findings from a Newark-Based Community Health Organization

Impact of community violence prevention programming on North Texas transgender youths' social and emotional health

Preferences for HIV and STI Prevention Methods among Transgender and Gender Diverse People in the Southeastern US

Stigma, Discrimination, and Healthcare Avoidance Among Women of Trans Experience and Transfeminine People in Newark, NJ

www.glma.org/registration

RESEARCH POSTERS

SATURDAY, OCTOBER 11, 2025

POSTER GROUP B

Twice-yearly lenacapavir PrEP in cisgender gay men, transgender women and men, and gender-diverse people (PURPOSE 2)

Disproportionate number of LGBTQ+ individuals in inpatient psychiatric units and their clinical characteristics

Continuing education opportunities related to the care of sexual and gender minority patients

Innovating Inclusivity: A Virtual Elective for Addressing LGBTQ+ Health in Medicine

Introducing Occupational Therapy Practice onto a Multidisciplinary Gender-Affirming Care Team

First do no harm: providing evidence-based care for donor insemination

Optimizing STI prevention: barriers, behaviors, and broader impacts of doxycycline post-exposure prophylaxis (Doxypep)

People don't actually notice a difference - Conceptual vs actual perceptions of gender inclusive content

The impact of sexual minority status, adverse childhood experiences, and resilience on asthma

From Pathology to Affirmation: The Evolution of Gender-Affirming Care and Social Work's Role

Gender-affirming hormone therapy and impacts on quality of life: a narrative review

Healing from Child and Adolescent Sexual Violence Among Gender Expansive Populations: Results From An Integrative Review

Playing with Gender: A Qualitative Study of Kink and Gender Identity in Transgender and Gender Diverse People

Postoperative complications following gender-affirming hysterectomies

www.glma.org/registration
